Address: 4008 Fort Worth Avenue
City: Alexandria
State: VA
Zip: 22304
Country: USA
Email: dacaval@yahoo.com
Privacy Preference: Don't withhold name or address from public record

Comment Submitted:

It is difficult to provide meaningful comments without additional information regarding the corridors. Additional information would include new or existing corridors, width (existing or expansion), types of corridors (electric transmission, oil and gas, etc.), impacts on private property, e.g., defacto taking issues, impacts of new construction, and policy for updating the corridor study.

Hopefully your PEIS will be coordinated with the respective Western Governors.

Thanks
