Comment Submitted:

Rock Springs Grazing Association, owns or leases 70 miles of the checkerboard in SW Wyoming and our land appears to be included in the corridor. However the map is so poor and lacking any detail to confirm where this corridor crosses our land. To better comment we need better maps.

RSGA concerns are the placement of facilities in the corridor so not to interfere with future sale or development of our property.

RSGA will expect specific briefing on the specifics of this corridor when available. RSGA does not want to read about the details of this proposal in the local newspaper, we want the authors of this EIS to contact us before our properties are included, this can be accomplished through the local BLM office.
