Privacy Preference: Don't withhold name or address from public record

Comment Submitted:

Thank you for consideration of comments from the Alliance for Historic Wyoming, a network of citizen advocated to preserve Wyoming's Cultural and historic resources. At the present time we wish to be included in all notices and information material regarding the PEIS. Because of time restraints we will defer our final comments until a later date. We support the concept of energy corridors as long as the National Historic Preservation Act, Federal Land Policy Act, NEPA and all BLM regulations are strictly adhered to.
